

Our Commitment To You

40 Years Of Experience

The MyHealth Insurance Program is designed to meet your needs and protect your assets so that you can recover from an unexpected loss and get back to what is important - Caring for your clients.

You're In Safe Hands

The MyHealth team is dedicated and focused. Their continuing education and industry designation goals are firmly supported by CCV in order to provide you with expert service and advice. Our unparalleled knowledge of industry specific underwriting, risk analysis and claims service ensures your healthcare business is protected with a solution you can rely on.

Financing Options

MyHealth offers flexible payment plans that allow you to focus on running a successful business.

Claims Management

Our in-house Claims Manager is always available to help make sure your questions are answered and your claim is resolved in a fair and timely manner. There's peace of mind knowing that we'll be guiding you through the claims process every step of the way.

MyHealth
Insurance Program

CCV Insurance and Financial understands that the healthcare industry is constantly adapting to accommodate a changing demographic structure. Our professional MyHealth team is committed to providing dedicated service and expert advice. Additionally, Karen Armstrong actively participates in relevant industry events in order to stay connected with changes that may impact your operations.

Karen Armstrong

BA, CAIB

Karen brings 20+ years of professional experience managing corporate insurance. Her knowledge of the home healthcare industry ensures CCV meets your insurance needs. Karen understands your focus on customer care and in turn can support your business with the same dedication.

MyHealth Program Director

Jodi Childerhose

Jodi has 10+ years of experience in the industry and as a result provides expertise as a trusted business insurance advisor. Her caring nature and professionalism puts you at ease and allows you to continue growing your business without worrying about your risks.

Business Insurance Advisor

Mark Evans

BA, CIP

Mark has 35 years of experience in handling all lines of claims plus a thorough knowledge of the workings of claims departments. He will explain your options so you will be able to make a fully informed decision before a claim is reported.
