

# Key Benefits

When the MySchool Insurance Program was developed we didn't simply copy our competitors, we set a new standard for an industry specific insurance program with direct input from people like you.

## Your School Or Child Care Centre

Owning and operating a business is complicated enough, but when your business is a school or child care centre, it faces unique risks and challenges. The MySchool Insurance Program was designed to offer tailored coverage to protect against the insurance challenges unique to your industry. Endorsed by three associations working with specialized insurers, we have leverage to provide you with superior coverage that protects you against unexpected loss so you can get back to what is important - Caring and Educating.

## 40 Years Of Experience

The MySchool team is dedicated and focused. Their continuing education and industry designation goals are firmly supported by CCV in order to provide you with expert service and advice. Our unparalleled knowledge of industry specific underwriting, risk analysis and claims service ensures your independent school or child care centre is protected with a solution you can rely on.
