

# A unique approach to private client insurance

## CCV *Signature* SERVICE

The **CCV Signature Service** private client specialty division delivers professional risk management and insurance services for high net worth individuals and families. A comprehensive insurance portfolio will be built specifically for your needs using select providers whose products are designed to protect the unique features of an affluent lifestyle.

Whether it's your custom-built dream home, a high performance luxury vehicle, an international vacation property, or your very own Monet or Picasso; **CCV Signature Service** has the experience and expertise to protect your valuable assets.

UMBRELLA PERSONAL LEGAL LIABILITY

The **Signature Service** private client advantage is unparalleled. To ensure we meet your unique needs, your advisor will:

- Personally oversee your insurance portfolio and act as your insurance point-person;
- Meet with you to conduct a comprehensive review of your overall insurance needs and personal risk tolerance;
- Have access to several carriers specializing in protecting high value assets;
- Present a coverage proposal and offer strategies to consider for premium reduction;
- Arrange a complimentary home appraisal to validate and finalize the value of your home to ensure full coverage is in place;
- On a regular basis, review your needs and ensure your protection is optimal;
- If you experience a claim, your advisor will walk with you through the entire process and advocate on your behalf.
